Public Consultation - have your say on proposed improvements to access to health services in Rutland where treatment is needed urgently on the same day

The NHS wishes to simplify, combine, and improve some existing services in Rutland

Rutland currently has a Minor Injury Service and an Urgent Care Service, run separately with different opening times. We would combine these services providing them more efficiently from a refurbished facility at Rutland Memorial Hospital.

Come along to one of our drop-in events, where you can receive help in completing a questionnaire.
