

Same Day Access Public Consultations Rutland

Public consultation about proposals to improve access to health services in Rutland where treatment is needed on the same day

A proud partner in the:

**Leicester, Leicestershire
and Rutland**
Health and Wellbeing Partnership

Proposal

- Improve services for people in Rutland by bringing together two local services – the Minor Injuries Unit and the Urgent Care Centre, creating a Minor Illness and Injury Service which would be open 7 days a week at Rutland Memorial Hospital for 8 hours each day
- Appointments would be pre-bookable via NHS 111 or your GP practice
- The service would be provided by nurses, advanced nurse practitioners and other clinicians who have access to and guidance from a GP and can access patient medical records
- The service is for non life-threatening conditions that need to be treated on the same day
- X-ray would be provided Wednesday and Thursday, but over time we would access the demand

Reasons for proposal

The population of Rutland is increasing

The population of Rutland is changing

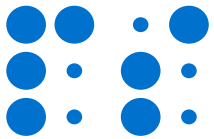

Access to some services can be difficult

The way services are organised is confusing

Buildings need refurbishing to be fit for the future

There is more demand for services provided at GP practices

Benefits of change

More 'on the day' appointments provided.

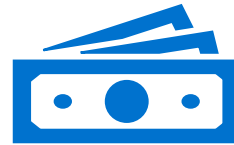

Reduces the need for people to drive out of Rutland

Reduces the confusion of accessing services and provides confidence to people

Improves the facilities to provide care and treatment

Reduces the duplication of services

Joins up services

Relieves pressure on accident and emergency (also known as emergency department)

Drop-in sessions

Drop-in sessions are to support people to complete the questionnaire.
