1. Introduction

1.1 Background/foreword

1.1.1 NHS England has set out the following as the 4 core purposes of integrated care systems (ICSs):

- a) improve outcomes in population health and healthcare
- b) tackle inequalities in outcomes, experience and access
- c) enhance productivity and value for money
- d) help the NHS support broader social and economic development.

1.1.2 The integrated care board (ICB) will use its resources and powers to achieve demonstrable progress on these aims, collaborating to tackle complex challenges, including:

- improving the health of children and young people
- supporting people to stay well and independent
- acting sooner to help those with preventable conditions
- supporting those with long-term conditions or mental health issues
- caring for those with multiple needs as populations age
- getting the best from collective resources so people get care as quickly as possible

1.2 Name

1.2.1 The name of this integrated care board is NHS Leicester, Leicestershire and Rutland ('the ICB').

1.3 Area covered by the ICB

1.3.1 The area covered by the ICB is Leicester, Leicestershire and Rutland with the following districts:

- a) Blaby District
- b) Charnwood Borough
- c) Harborough District
- d) Hinckley and Bosworth Borough
- e) Leicester City District
- f) Melton Borough
- g) North West Leicestershire District
- h) Oadby and Wigston Borough
- i) Rutland District

- 1.3.2 The ICB will be part of the Leicester, Leicestershire and Rutland Integrated Care System, a partnership involving the local NHS, Local Government organisations, the third sector and other relevant bodies with an active interest in the health, care and wellbeing of the residents of Leicester, Leicestershire and Rutland. Together they will collaborate to address health and care inequalities, enhance integrated working, ensure optimal use of available resources and contribute to broader societal priorities.
- 1.3.3 The ICB will be specifically responsible for a range of planning, commissioning, financial and oversight functions which will be discharged with the aims of improving the health of the local population and ensuring the efficient and effective delivery of NHS services

1.4 Statutory framework

- 1.4.1 The ICB is established by order made by NHS England under powers in the 2006 Act.
- 1.4.2 The ICB is a statutory body with the general function of arranging for the provision of services for the purposes of the health service in England and is an NHS body for the purposes of the 2006 Act.
- 1.4.3 The main powers and duties of the ICB to commission certain health services are set out in sections 3 and 3A of the 2006 Act. These provisions are supplemented by other statutory powers and duties that apply to ICBs, as well as by regulations and directions (including, but not limited to, those made under the 2006 Act).
- 1.4.4 In accordance with section 14Z25(5) of, and paragraph 1 of Schedule 1B to, the 2006 Act, the ICB must have a constitution, which must comply with the requirements set out in that Schedule. The ICB is required to publish its Constitution (section 14Z29). This Constitution is published at www.leicesterleicestershireandrutland.icb.nhs.uk .
- 1.4.5 The ICB must act in a way that is consistent with its statutory functions, both powers and duties. Many of these statutory functions are set out in the 2006 Act but there are also other specific pieces of legislation that apply to ICBs. Examples include, but are not limited to, the Equality Act 2010 and the Children Acts. Some of the statutory functions that apply to ICBs take the form of general statutory duties, which the ICB must comply with when exercising its functions. These duties include but are not limited to:
- a) having regard to and acting in a way that promotes the NHS Constitution (section 2 of the Health Act 2009 and section 14Z32 of the 2006 Act)

- b) exercising its functions effectively, efficiently and economically (section 14Z33 of the 2006 Act)
- c) duties in relation children including safeguarding, promoting welfare, etc (including the Children Acts 1989 and 2004, and the Children and Families Act 2014)
- d) adult safeguarding and carers (the Care Act 2014)
- e) equality, including the public sector equality duty (under the Equality Act 2010) and the duty as to health inequalities (section 14Z35)
- f) information law (for instance, data protection laws, such as the UK General Data Protection Regulation 2016/679 and Data Protection Act 2018, and the Freedom of Information Act 2000).
- g) provisions of the Civil Contingencies Act 2004

1.4.6 The ICB is subject to an annual assessment of its performance by NHS England, which is also required to publish a report containing a summary of the results of its assessment.

1.4.7 The performance assessment will assess how well the ICB has discharged its functions during that year and will include an assessment of how well it has discharged its duties under:

- a) section 14Z34 (improvement in quality of services)
- b) section 14Z35 (reducing inequalities)
- c) section 14Z38 (obtaining appropriate advice)
- d) section 14Z40 (duty in respect of research)
- e) section 14Z43 (duty to have regard to effect of decisions)
- f) section 14Z45 (public involvement and consultation)
- g) sections 223GB to 223N (financial duties)
- h) section 116B(1) of the Local Government and Public Involvement in Health Act 2007 (duty to have regard to assessments and strategies)

1.4.8 NHS England has powers to obtain information from the ICB (section 14Z60 of the 2006 Act) and to intervene where it is satisfied that the ICB is failing, or has failed, to discharge any of its functions or that there is a significant risk that it will fail to do so (section 14Z61).

1.5 Status of this Constitution

- 1.5.1 The ICB was established on 1 July 2022 by *The Integrated Care Boards (Establishment) Order 2022*, which made provision for its Constitution by reference to this document.
- 1.5.2 Changes to this Constitution will not be implemented until, and are only effective from, the date of approval by NHS England.

1.6 Variation of this Constitution

- 1.6.1 In accordance with paragraph 15 of Schedule 1B to the 2006 Act, this Constitution may be varied in accordance with the procedure set out in this paragraph. The Constitution can only be varied in 2 circumstances:
- a) where the ICB applies to NHS England in accordance with NHS England's published procedure and that application is approved
 - b) where NHS England varies the Constitution of its own initiative (other than on application by the ICB)
- 1.6.2 The procedure for proposal and agreement of variations to the Constitution is as follows:
- a) The ICB Executive Management Team may propose amendments to the Constitution for consideration by the board subject to appropriate engagement process(es). The board will review and consider the proposals and subsequently will propose a variation to the Constitution and make an application to NHS England.
 - b) proposed amendments to this Constitution will not be implemented until an application to NHS England for variation has been approved

1.7 Related documents

- 1.7.1 This Constitution is also supported by several documents that provide further details on how governance arrangements in the ICB will operate.
- 1.7.2 The following are appended to the Constitution and form part of it for the purpose of clause 1.6 and the ICB's legal duty to have a constitution:

2. Amendment and review

- 2.1 The standing orders are effective from 1 July 2022.
- 2.2 Standing orders will be reviewed on an annual basis or sooner if required.
- 2.3 Amendments to these standing orders will be made in line with section 1.6 of the Constitution.

3. Interpretation, application and compliance

- 3.1 Except as otherwise provided, words and expressions used in these standing orders shall have the same meaning as those in the main body of the ICB Constitution and as per the definitions in Appendix 1.
- 3.2 These standing orders apply to all meetings of the board, including its committees and sub-committees unless otherwise stated. All references to board are inclusive of committees and sub-committees unless otherwise stated.
- 3.3 All members of the board, members of committees and sub-committees and all employees, should be aware of the standing orders and comply with them. Failure to comply may be regarded as a disciplinary matter.

the non-compliance shall be reported to the next formal meeting of the board for action or ratification and the audit committee for review.

4. Meetings of the integrated care board

4.1 Calling board meetings

- 4.1.1 Meetings of the board of the ICB shall be held at regular intervals at such times and places as the ICB may determine.

 - b) One-third of the members of the board may request the chair to convene a meeting by notice in writing, specifying the matters which they wish to be considered at the meeting. If the chair refuses, or fails, to call a meeting within 7 calendar days of such a request being presented, the board members signing the requisition may call a meeting by giving not less than 14 calendar days' notice in writing to all members of the board specifying the matters to be considered at the meeting.
 - c) In emergency situations the chair may call a meeting with 2 days' notice by setting out the reason for the urgency and the decision to be taken.

4.2.4 The board shall appoint a chair to all committees and sub-committees that it has established. The appointed committee or sub-committee chair will preside over the relevant meeting. Terms of reference for committees and sub-committees will specify arrangements for occasions when the appointed chair is absent.

4.3.1 The agenda for each meeting will be drawn up and agreed by the chair of the meeting.

4.3.2 Except where the emergency provisions apply, supporting papers for all items must be submitted at least 7 calendar days before the meeting takes place. The agenda and supporting papers will be circulated to all members of the board at least 5 calendar days before the meeting.

4.6 Virtual attendance at meetings

4.6.1 The board of the ICB and its committees and sub-committees may meet virtually using telephone, video and other electronic means when necessary, unless the terms of reference prohibit this.

4.9.1 The ICB has agreed to use a collective model of decision-making that seeks to find consensus between system partners and make decisions based on unanimity as the norm, including working through difficult issues where appropriate.

4.9.2 Generally it is expected that decisions of the ICB will be reached by consensus. Should this not be possible then a vote will be required. The process for voting, which should be considered a last resort, is set out below:

- a) All members of the board who are present at the meeting will be eligible to cast one vote each.
- b) In no circumstances may an absent member vote by proxy. - c) For the sake of clarity, any additional participants and observers (as detailed within paragraph 2.3 of the Constitution) will not have voting rights.
- d) A resolution will be passed if more votes are cast for the resolution than against it.

- 4.11.3 The person presiding over the meeting shall give such directions as they think fit with regard to the arrangements for meetings and accommodation of the public and representatives of the press such as to ensure that the governing body's business shall be conducted without interruption and disruption.
- 4.11.4 As permitted by Section 1(8) Public Bodies (Admissions to Meetings) Act 1960 (as amended from time to time), the public may be excluded from a meeting to suppress or prevent disorderly conduct or behaviour.
- 4.11.5 Matters to be dealt with by a meeting following the exclusion of representatives of the press and other members of the public shall be confidential to the members of the board.

- 5.2 A decision to suspend the standing orders together with the reasons for doing so shall be recorded in the minutes of the meeting.
